

FIS **WORLD CUP FINAL 2010**
STOCKHOLM 17 MARS | SVENSKA SKIDSPELN FALUN 19-21 MARS

Falun February 28, 2010

Information regarding payment of prize money

According to decision taken by the board of directors of the Swedish Ski Association regarding the way Swedish organizers shall settle their payment of prize money (information sent to FIS in December 2009) the OCs of FIS WC Final Falun/Stockholm hereby give following information;

As from January 1, 2010 there are new tax rules in Sweden forcing us to reduce the gross amount in CHF with up to -35,32 %, depending on the age of the prize winner;

Prize winner born 1983 or earlier:	- 35,32 %
Prize winner born 1984 or later:	- 26,40 %

The tax burden can be reduced to -15 %, if the athlete is a citizen in an EU/EFTA country and if he or she can present an E101 form to the organizer (a tax certificate which shows that he/she belongs to the social insurance system of his/her own country. Can be required from the prize winners local tax authority).

In order to get the lower tax of 15%, the E 101 form/certificate must be received by the organizer by March 26.

A specific form for payment of prize money shall be filled in by all prize winners – it will soon be available at www.skidspelen.se. Please also note that a copy of the athlete's passport must be presented.

Welcome to exiting WC Final competitions in Stockholm and Falun!
